Port St. George, February 28, 1924 (G.O. No. 417, L. & M.).

No. 197.—In G.O. No. 5167, L. & M., dated 24th October 1923, the Executive of Local Fund Accounts was informed that the higher rates of travelling allowance referred to in G.O. No. 245, Finance, dated 19th February 1922, should not be allowed to any local board president for the period from 1st March 1922 to 31st March 1923. A number of representations have been received from the presidents of local boards asking for a reconsideration of that order. Their main arguments are that they draw travelling allowance at the higher rates under the Local Funds Accounts Act, 1919, and that they were already for the same under rule 124 of the Local Funds Manual, that they did not thereby infringe any specific order of the Government and that the recovery of the amounts drawn in excess of the old rates for the period from 1st March 1922 to 31st March 1923 would cause hardship. The Government have given the matter their careful consideration and are inclined to the view that there is some force in these arguments. The instructions issued to the Executive in G.O. No. 245, L. & M., dated 19th February 1922, are accordingly withdrawn and presidents will be permitted to draw for the period a quarter travelling allowance, daily allowance and mileage at the rates admissible under rule 124 of the Local Funds Manual. Such of the presidents as have not yet drawn their travelling allowance for the period in question or have drawn them at lower rates are now permitted to draw at rates not exceeding three quarters thereof and the amounts recovered in pursuance of G.O. No. 5167, L. & M., dated 24th October 1923, will also be refunded.

Port St. George, March 4, 1924.

No. 198.—The following draft of a rule which the Government propose to make under section (1) of section 246 of the Madras District Municipalities Act, 1920, altering the list of dangerous diseases specified in Schedule VI of that Act as amended by notification No. 251 published on page 481 of Part I & II of the Port St. George Gazette, dated 6th October 1923, is hereby notified for general information under clause (c) of section 124. It will be further provided with other six weeks from the date of publication of this notification in the Port St. George Gazette:—

their training. The aim of these scholarships is to encourage deserving apprentices and pupils to complete their whole apprenticeship on period of training at two institutions in workshop and so to some extent check the present tendency of apprentices to move from workshop to workshop in search of a few extra shillings in wages to the detriment of their training and the success of their employers.

(3) The general educational attainments of candidates should be such as would enable them to profit by the training provided. 15. Government promissory notes lodged as current money or security deposit for a period of twelve months or less shall not be returned over to the Surgeon-General but shall remain in the name of the Surgeon-General. Government will appropriate or cancel the notes as per G. O. No. 7548, dated 31st March 1924, M.B. No. 1049, authority to that effect being duly entered in the contract or other documents connected by the deposit.
16. With reference to the stipulations contained in the preceding paragraph No. 14, the tenders should attach a certificate to the schedule or schedule in the following effect:—
"I, the tenderer, agree to have the current money, if Government promissory notes or bank receipts, submitted to Government in case of my failure to undertake the contract."
17. No article shall be supplied to the hospitals except on authority signed by the Superintendents or by some responsible person authorised by him in writing to do so.
18. Samples are not required unless called for. When called for they must be sent in within two days. Samples will be received in sealed boxes only. If approved and tender accepted the samples received will be counted as part of the supply. If rejected the samples will be paid for at the tender price. Samples of the accepted tender will be sealed and lodged in the several hospitals in the city. Tenders are distinctly to understand that, if the tender is accepted the balance of the article or articles required must be in every way equal to the approved sample. The opinion of the Superintendents will be final on this point.
19. The number or quantity entered in the schedule is the probable number or quantity which the Superintendents undertake to require to be supplied and may be more or less according to actual requirements. The Superintendents do not bind themselves to receive the full quantity or quantity entered in the schedule. But the contractor will be under an obligation to supply such larger quantity as is required by the Superintendents on any request he may make. The Government Laps Hospital contracts will state where the contractor is to be furnished to the hospitals.
20. The system of rounding off fractions of a rupee to the nearest rupee continues in M.O. No. 709, Finance, dated 21st August 1925, will be adopted in all contracts' bills.
21. The correct rate should include charges for delivery of the articles to the several hospitals.

23. Every correction in the tender must necessarily be initiated by the tenderer before which the tender will be rejected.

24. The articles noted in the schedule should be supplied in such quantities and at such times as may be indicated for by Superintendents of hospitals. Information regarding quantities required at a time may be had on personal application at the hospitals concerned.

25. The supply of each of the following groups of articles, viz., rice, wheat, sugar, sugar, flour, wool, honey, and various other articles will be entrusted to a single contractor. Tenderers should therefore quote only one rate for the requirements of all the hospitals.

26. For the supply of articles, such as milk and milk-products, vegetables, cooked meats, eggs and bread, the hospitals in Malacca City have been classified into the undermentioned groups:—

(1) Singapore and Kepong Hospitals.

(2) General Hospital.

(3) Singapore and Teluk Anson Hospitals and Victoria Hospital for Chinese Women, Teluk Anson.

(4) Malacca and Ophthalmo Hospital.

(5) Naval Hospital.

Tenderers may offer to supply either at all the institutions at a uniform rate or to cover more of these groups as may be convenient to them. In either case the best must be clearly stated in the tender. Quantities required for each of these groups may be obtained by personal application at the office.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Legislative Assembly on the 1st February 1904:—

No. 1 of 1904.

A Bill for the purpose of amending the Indian Penal Code for certain purposes.

Whereas it is expedient further to amend the Indian Penal Code for certain purposes: Enacted, that the Bill shall be enacted as follows:—

Short title and commencement. 1. (1) This Act may be called the Indian Penal Code (Amendment) Act, 1904.

(2) It shall come into force on such date as the Governor-General in Council may, by notification in the Gazette of India, appoint.

Amendment of sections 261, 262 and 263. 2. In sections 261, 262 and 263 of the Indian Penal Code, for the word "and" in section 261, "or" in section 262, and "or" in section 263, the word "and" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

In 1903 the Indian Legislature passed an Act to give effect to certain Articles of the International Convention for the suppression of the traffic in women and children, namely, Act XX of 1903. Section 2 of the Act inserted a new section—194A—in the Indian Penal Code, providing an offence of eighteen years in respect of the offence of procuring of minor girls. The Act was brought into force immediately as the being amended by the Governor-General, as it was considered that Local Governments should be enabled to the advantage of retaining the age of 18 years in the new section 194A in view of the age-limit laid down in the Code for measures directed against. After considering the opinion received, the Government of India have decided to bring forward the present Bill with the object of amending the age-limit in sections 261, 262 and 263 of the Code from sixteen to eighteen years. It is proposed to bring Act XX of 1903 into force simultaneously with the present Bill, if it is passed into law.

Dated,

The 1st December 1903.

W. M. HANLEY.

The following Bill was introduced in the Legislative Assembly on the 1st February 1924:—
No. 2 of 1924.

A Bill further to amend the Indian Coinage Act, 1909, for certain purposes.

- 22 of 1924. WHEREAS it is expedient further to amend the Indian Coinage Act, 1909, for certain purposes hereinafter appearing: It is hereby enacted as follows:—
- Short title. 1. This Act may be called the Indian Coinage (Amendment) Act, 1924.
- 22 of 1924. 2. In clause (5) of sub-section (2) of section 15 of the Indian Coinage Act, 1909 (hereinafter referred to as the said Act), for the words "notwithstanding anything contained in this Act or in any Act hereby repealed, but subject" the following shall be substituted, namely:—
- Amendment of section 15 of Act XI of 1909. "subject only to the provisions of section 15A and"
- Section of new section 15A in Act XI of 1924. 3. After section 15 of the said Act the following section shall be inserted, namely:—
- "15-A. Notwithstanding anything contained in section 13, section 13, section 14 or section 15, the Government-General in Council may, by notification in the Gazette of India, call in, with effect from such date as may be specified in the notification, any coin, of whatever date or denomination, referred to in any of those sections, and as and from the date so specified such coin shall cease to be a legal tender coin at a Government minting office."
- Term in said act. Provided that the Government-General in Council may by the notification specify any later date up to which such coin shall continue to be a legal tender of any Government minting office."

STATEMENT OF OBJECTS AND REASONS.

The attention of Government has been drawn to the provision in the Indian Coinage Act, 1909, of any provision, such as exists in the English Coinage Act, for power to withdraw the legal tender status of coin. The result is that coin once legal tender is always legal tender under the Indian Law. When an occasion it becomes necessary to prevent the circulation of counterfeit coin of any particular denomination, the only action possible at present is to discontinue the use of coin of that denomination from minting and currency offices, as has recently been done in the case of the 8 anna silver coin, but this process is not completely effective since coins that do not come into the mints and currency offices continue to circulate as legal tender. It is therefore proposed, on the analogy of section 11 (3) of the English Coinage Act, 1920, to take power to withdraw, by notification, the legal tender status of coin of any denomination or date except the gold coin which are dealt with in section 13 of the Indian Coinage Act, 1909. This provision should, in the event of any the circulation of counterfeit coin should cause a prompt withdrawal of the given coin. This to be legal tender, is secured by the specific provision in the Bill that coin continued legal tender be legal tender of a currency office.

- 22 of 1924. WHEREAS it is expedient further to amend the Indian Income-tax Act, 1918, for certain purposes hereinafter appearing: It is hereby enacted as follows:—
- Short title and commencement. 1. (1) This Act may be called the Indian Income-tax (Amendment) Act, 1924.
- 22 of 1924. (2) Sections 3, 4, 5 and 6 shall not come into force until the first day of April, 1925.
2. In section 3 of the Indian Income-tax Act, 1918 (hereinafter referred to as the said Act), for the words "individual, company, firm and Hindu undivided family" the words "individual, Hindu undivided family, company, firm and other associations of individuals" shall be substituted.

- Amendment of section 15 of Act XI of 1918. 4. In sub-section (2) of section 15 of the said Act, the words "as in any President Fund which complies with the provisions of the President Income-tax Societies Act, 1912, or has been exempted from the provisions of that Act" shall be omitted.
- Amendment of section 15 of Act XI of 1918. 5. In section 15 of the said Act—
- 22 of 1924. (a) In sub-section (2) for the words and figures "commenced after the first day of March 1918" the words and figures "as which income-tax was not at any time charged under the provisions of the Indian Income-tax Act, 1918" shall be substituted; and
- 22 of 1924. (b) In sub-section (2) the words "which was in existence at the commencement of this Act, and" shall be omitted.
- Amendment of section 15 of Act XI of 1918. 6. In section 15 of the said Act, for the words "individual, registered firm, Hindu undivided family or company" the words "individual, Hindu undivided family, company, registered firm or other associations of individuals, not being a registered firm," shall be substituted.

- Amendment of section 10, Act XI of 1913.
7. In section 10 of the said Act, for the words "individual, unincorporated firm, Hindu undivided family or company" the words "individual, Hindu undivided family, company, unincorporated firm or other association of individuals" shall be substituted.
- Amendment of section 12, Act XI of 1913.
8. In sub-section (1) of section 12 of the said Act, after the words "is the date of a firm or" the words "or the date of the individuals not being a company or in the case of" and after the word "firm" the words "or association," shall be inserted.
- Amendment of section 14, Act XI of 1913.
9. In sub-section (2) of section 14 of the said Act, after the words "the assessee may" the words "within one month from the date of the notice" shall be inserted.
10. The amendments made in the said Act by sections 7, 8 and 9 shall have effect as if they had been made on the first day of April, 1913, and income tax and surcharge shall be deemed to have been chargeable for the year commencing on that date in respect of the income, profits and gains and of the total income, respectively, of every individual or company, not being a company or a registered firm, at the rate or rates applicable for that year to the total income of an individual.

STATEMENT OF OBJECTS AND REASONS.

The Income-tax Act, 1913, does not provide for the assessment of the income, profits or gains of an Association or Club which is neither a Company nor a firm nor a Hindu undivided family. This is an omission as it was always intended to tax Associations or Clubs. Clauses 3, 4, 7 and 8 of the Bill give effect to this intention, while clause 10 rectifies amendments made during the current year.

2. The President Insurance Societies Act, 1913, was never intended to apply to the President Friendly Society Companies and firms, but its various provisions such as Firms have been exempted from the provisions of that Act, with the result that they enjoy the exemption given by section 4 (3) (a) and 15 (1) of the Income-tax Act, 1913. As it was never intended to grant this exemption to private President Firms, it is proposed to null all reference to President Insurance Societies from sections 4 (3) (a) and 15 (1) of the Act.

3. There is no provision in the Act for the assessment of a business, profession or vocation which was in existence at the commencement of the Act but on which no tax was charged at any time under the provisions of the Income-tax Act, 1913 (VII of 1913). Clause 5 of the Bill rectifies this omission.

4. At present there is no period within which an assessee should apply to the High Court for the issue of a writ under section 15 (2) of the Act, with the result that applications are occasionally made several months after the Commissioner has refused to issue the writ to the High Court. Clause 6 of the Bill prescribes a period within which such applications should be made.

DRAWN,

The 18th January 1924.

BASIL F. BLAKELEY.

The following Bill was introduced in the Legislative Assembly on the 1st February 1924:—

No. 4 of 1924.

A Bill to amend the Indian Cotton Cess Act, 1913, for several purposes.

WHEREAS it is expedient to amend the Indian Cotton Cess Act, 1913, for certain purposes hereinafter appearing: It is hereby enacted as follows:—

1. This Act may be called the Indian Cotton Cess (Amendment) Act, 1924.
2. To clause (a) of section 2 of the Indian Cotton Cess Act, 1913, XIV of 1913, (hereinafter referred to as the said Act), after the word "assessed" the following shall be added, namely:—
"or any other officer appointed by the Local Government to perform the duties of a Collector under this Act."
3. Section 3 of the said Act shall be re-numbered as sub-section (1) of that section, and to that section the following sub-section shall be added, namely:—
"(2) The Governor-General in Council may, by notification in the Gazette of India direct that the cess referred to in sub-section (1) shall be levied and collected at all cotton produced in India and exported by land from British India in any foreign territory outside India which may be specified in the notification."
4. Section 4 of the said Act shall be re-numbered as sub-section (1) of section 4, and to that section the following sub-section shall be added, namely:—
"(2) In respect of cotton exported by land in which the main berrilla the cess shall be assessed and levied by such authority and in such manner as may be provided."
5. In clause (c) of sub-section (2) of section 15 of the said Act, after the words "by sea" the words "or by land" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

There is no provision in the Indian Cotton Dues Act, 1913 (XIV of 1913), for the levy of a tax on British Indian cotton which may be exported by land to foreign territories in India. The Indian Central Cotton Committee, Bombay, have recommended that this duty should be so amended as to enable a tax to be levied on such cotton. The object of the amendment now proposed is to enable a tax to be levied on cotton exported by land to such foreign territory as may be decided in this behalf by the Governor-General in Council.

2. Section 5 (a) read with sections 5, 7, 10 and 11 of the same Act makes the Collector of districts responsible for the assessment, levy, collection, etc., of the tax on the cotton produced in the mills situated in their districts. The cotton export staff in the Bombay Presidency is under the control of the Collector of Bombay, and the local Government have printed out the necessity of placing this staff under District Collector merely for the purpose of the tax. They have accordingly suggested that in the Act should be amended to provide for the discharge throughout the Presidency by the Collector of Bombay of the functions at present vested in the Collector of the district in which the mill concerned is situated. The Indian Central Cotton Committee have supported the suggestion, and it is proposed to amend the definition of "Collector" in section 5 (a) of the Indian Dues Act on the lines of section 5 (1), (2) and (3) of the Cotton Dues Act, 1908.

The following Bill was introduced in the Legislative Assembly on the 6th February 1924—

No. 5 of 1924.

A Bill further to amend the Indian Tariff Act, 1913, for certain purposes.

WHEREAS it is expedient further to amend the Indian Tariff Act, 1913, for certain purposes hereinafter appearing; It is hereby enacted as follows:—

1. (1) This Act may be called the Indian Tariff (Amendment) Act, 1924.

(2) It shall come into force on the 1st day of April 1924.

2. In the preamble to the Indian Tariff Act, 1913 (hereinafter referred to as the said Act), for the words "consisting of the territories of certain Foreign European Settlements in India and of the territories of certain Native States" the words "imported into or exported from British India by land" shall be substituted.

3. For section 5 of the said Act the following section shall be substituted, namely:—

"5. Where a duty of customs is payable on any article imported into or under this Act or any other law for the time being in force is leviable on any article when imported into, or in any article when exported from, a port in British India, the Governor-General in Council may, by notification in the Gazette of India, direct that a duty of customs at the like rate shall be leviable on any such article when imported, or exported, or in the case may be, by land from or to any territory outside British India, which in any, by a like notification, declare to be foreign territory for the purposes of this section."

4. In section 8 of the said Act, the words "figure and" between "sub-section (1), and" shall be omitted.

STATEMENT OF OBJECTS AND REASONS.

It has come to notice that articles, originating, etc., in which import duties are leviable when imported by sea are being brought into India in sea-vessels, whereas some certain land frontiers. The Government of India have not as yet provided any law to levy duties on articles following these land routes as the Indian Tariff Act, 1913 (XIV of 1913), only authorizes the levy of duty on goods coming from the territories of certain Foreign European Settlements in India and of such territory of any Native State as is declared to be foreign territory for the purposes of section 5 of that Act. The object of this Bill is to amend the Act to enable the Government of India to levy customs duties on any article imported or exported, or in the case may be, by land from or to any territory outside British India, which is declared to be foreign territory for the purposes of the Act.

tion 245, act 24 of 1911
1911

19. In each section (2) of section 245 of the said Act, after clause (g) the following clause shall be inserted, namely:—

"(h) the charge of fees for the grant of the certificate referred to in sub-section (2) of section 245, the amount of such fee and the manner in which they shall be reasonable."

STATEMENT OF OBJECTS AND REASONS.

For many years past the Government of India have been a source of anxiety and recurring expenditure to the Government of India. The welfare of the Indian pilgrims, as a whole, has also been endangered by the powers amongst them of those who had not the means to perform the pilgrimages. Various attempts have been made from time to time to arrive at a solution of the problem on a statutory basis but without success. In March 1913, the Central Haj Committee resolved that, in view of the experience gained, the best remedy was to constitute a system of compulsory return tickets, if necessary, by legislation. The Government of India are satisfied that a solution on the lines of compulsory provision for the return journey is the only one which will secure the return of pilgrims to India after performing the pilgrimages, which is allowed to leave from any port in British India unless he is in possession of a return ticket, or has deposited a sufficient sum to meet the cost of the return passage. Clause 2 deals with the period for which a return ticket is to be valid and the period of detention at Fozdah whilst a pilgrim must be provided with a return passage. Clause 3 is intended to give the Government-General in Council a general authority prior to regulate matters arising out of the introduction of a system of return tickets or deposits and to secure their satisfactory working.

It is also proposed to take advantage of this opportunity to amend the relevant sections of the Indian Merchant Shipping Act, 1913, so as to exempt with the obligation of all pilgrim ships at Aden which is no longer necessary under modern sanitary conditions. Clauses 5, 6 and 7 of the draft Bill give effect to this proposal. Clause 8 of the Bill is intended to amend the Indian Government, with the previous sanction of the Government-General in Council, by notification in the local official Gazette, to declare a period within which the pilgrims from a given port in British India shall be allowed to return. This provision is designed to prevent pilgrims from leaving before their due date and thus to secure pilgrims from the disappointment of arriving too late.

The Indian Merchant Shipping Act, 1913, does not exempt from the levy of any fee for inspection of the pilgrim ships on arrival. Recently fees for inspection when the pilgrims have been found to be not of order have been imposed in the United Kingdom by the Board of Trade. It is proposed to take similar power to prohibit the levy of fee in India under section 245 of the Act, and clause 10 of the Bill is intended to secure this object.
